PROJECT

Portfolio Website

Designed and developed a personal portfolio website using HTML5 and CSS3 to showcase my skills, projects, and contact details in a clean and professional layout.

W3Schools Website

Created a W3Schools-like website using HTML and CSS, similar to W3Schools webpage structure. The website demonstrates basic web design concepts with a clean layout and easy navigation.

Travel Agency Website

Created a travel agency website using HTML, CSS, and JavaScript. The website provides travel information, tour packages, and booking details with a simple and user-friendly design.

- Designed web pages using HTML for structure and content
- Used JavaScript for form validation and basic interactivity
