in Physics – CGPA: 8.034

09/2022 – 04/2025
Uthangarai, Krishnagiri

Govt. Boys Higher Secondary School,
Higher Secondary (12th) – Bio-Maths

06/2021 – 05/2022
Singarapetta, Krishnagiri

🧠 TECHNICAL SKILLS

— HTML | CSS | JavaScript | React | MySQL | python | Django

📁 PROJECTS

Personal Portfolio Website

Built a responsive personal portfolio website using HTML, CSS, Bootstrap, and JavaScript, focusing on clean UI design, cross-device compatibility, and improved user interaction.

Travel Agency Website

Built a responsive website using HTML, CSS, Bootstrap 5, and JavaScript featuring destination listings, booking options, and interactive UI elements with multi-page navigation.

CRUD Application

Developed a dynamic CRUD web application using Django, enabling users to create, update, view, and delete records with secure form validation and responsive UI.

📜 CERTIFICATES

• **Python Full Stack Development** – Pumo Technovation (2025)

• **INFOSYS**-Front End Web Developer

• **NSS**- National Service Scheme
